I asked. This proves there is a misunderstanding.

PRESIDENT: Now, there isn't anything before the body at this time except we are going to move on to Select File here and the consideration of LB 172 and the chair recognizes Senator Stull.

SENATOR STULL: I move that the E & R amendments to 172 be adopted.

PRESIDENT: We now have a motion to adopt the E & R amendments to LB 172. All those in favor of the motion, please say aye. Those opposed say no. The amendments are adopted. Now. Senator Lewis, do you have some sort of motion prevailing on 172 or anticipated. The chair recognizes Senator Frank Lewis.

SENATOR FRANK LEWIS: Mr. Chairman, I think that I don't want to put a bracket for a certain day up there but I'd like to pass over 172, at least for today. I would like to adopt the E & R amendments and, then, hold 172.

PRESIDENT: The E & R amendments have been adopted.

SENATOR FRANK LEWIS: Then I would just like to pass over it, if that's all right with you.

PRESIDENT: Senator Lewis is asking to pass over 172 on Select File. Are there any objections to passing over the bill? Hearing none, so ordered. It is done. All right. Are there any motions to reconsider.

CLERK: I have a request here to unbracket LB 435 which is on E & R for engrossing, return to Select File for a specific amendment. Strike the Stahmer amendment on Select File found on Page 1366 of the Journal, April 18th and insert the amendment on the desk. Signed, Senator Snyder. The amendment would read--read.

PRESIDENT: All right. The chair recognizes Senator Snyder.

SENATOR SNYDER: Thank you, Mr. President. Mr. President and members of the body, this is the bill which was introduced by Senator Nore. There was some discussion some ten days ago regarding this bill. I believe the amendment as prepared by the Secretary of State clarify LB 435 to the acceptability of all parties involved. I conferred with Senator Nore and is it fair to proceed now, Senator Nore, do you understand the amendment? All parties are finding this acceptable. It does deal with school election laws and allows the caucus procedure, as well as the ballot procedure. So, Mr. President, I move for the adoption of the amendments that I have placed on the Clerk's desk which were just read to LB 435.

PRESIDENT: All right. Now, Senator Snyder is asking unanimous consent to unbracket LB 435. Are there objections to unbracketing 435 on Final E & R. Any objections. Hearing none, so ordered. The bill is unbracketed. Now his motion is to return 435 to Select File for the specific amendment which I think he just explained. Are there objections? Excuse me. Is there any need for discussion of that motion?

SENATOR SYAS: I didn't get his explanation. What's he doing, again.

PRESIDENT: All right. Senator Snyder.

SENATOR SNYDER: (Inaudible) get the bill first and then...

SENATOR SYAS: You go unbracket it. We don't...cry about...

PRESIDENT: OK. The bill is unbracketed. Senator Snyder.
